

## **Criminal Justice (CJ), Associate of Arts Degree**

This program has been designed for those students seeking an education in the field of Law and Law Enforcement among other careers of great demand. It will offer students a broad background in the Criminal Justice System, and includes courses in communication, humanities, behavioral science, mathematics, natural science, and computers. Florida National College will award an Associate of Arts in Criminal Justice upon graduation to those students who complete the necessary requirements. These students may continue their education at the bachelor's level to other accredited universities, or begin careers in the field including law enforcement\*, court system, and private industry.

**\*Note:** Employment with certain law enforcement agencies may require separate certification in basic police training (academy).
