

## ***FLORIDA NATIONAL COLLEGE PLEDGE OF PUBLIC ACCOUNTABILITY***

The decision to attend any institution of higher education entails a significant financial commitment. At Florida National College we believe that any decision of such magnitude should be informed by clear, accurate information. Our website provides relevant information to all prospective students and their parents, including the following:

- [Program Information](#), including costs, curriculum requirements, graduation rates, and median student indebtedness for each program;
- Florida National College [accreditations and approvals](#);
- [Employment Data](#) for recent graduates, as available;
- [Contact Information](#) for Florida National College campuses, branch campuses, extension center and administrative offices;
- [Names and titles](#) of the College's trustees, officers, general administration and academic administration;

We also commit ourselves to:

- Facilitate the appropriate and efficient [transfer of applicable academic credit](#) after an incoming student's transcript has been reviewed;
- Communicate clearly in writing whether completion of a given program will qualify a student for licensure in a career field; and
- Communicate to each student, upon acceptance of her/his application, the estimated amount of [financial aid](#) (s)he will receive.

Furthermore, consistent with our mission to expand educational opportunities, Florida National College also provides educational and cultural programs intended

to enrich the community it serves. Our goal is to prepare the students for employment in their chosen career or advanced studies through the acquisition of the required skills and knowledge needed for the successful completion of the program of studies.
